PLEASE READ BEFORE BIDDING

Coins and medals are sold at *so much per lot* and no lot will be separated. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. advance must be bid, up to \$10, when no advance under 25 cents will be accepted. You can bid anything up to 50c., after that the bid must be 55c., or 60c. Such offers as 51c., \$1.01, etc., are unavailable.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10 and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable. I have taken special pains to carefully and fairly describe each lot.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

The coins, etc., in each lot are different unless otherwise described.

Be sure you bid on the lot you wish to buy

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft, as the usual exchange fee will be deducted from checks.

We will price your catalogue for \$2.00.

RARE AMERICAN GOLD, SILVER AND COPPER.

WASS MOLITER & COMPANY \$50.00.

- 265.00 1226 1855. \$50. Round. Lib. head and 13 stars. Rev. value, "50 Dollars" within wreath. Around wreath: "Wass Moliter & Co., San Francisco, California." Very good, approaching fine, and above the average. The piece has, as usual, a few small dents on reverse and on edge, but everything is boldly struck up and clear and the date is very fine. Very rare. One of this variety sold for \$455.00 in my sale of Oct. 7th, 1908.

CHOICE AND RARE U. S. CENTS.

- 10.00 1227 1795. Thin planchet. ONE CENT in center of wreath. Scarcely discernable nick on reverse. Uncirculated. A light olive. This is the finest 1795 cent of this variety that I have ever offered. Very fine.
 14.50 1228 1795. Thin planchet. ONE CENT high in the wreath. Extremely fine or uncirculated. A reddish olive. Very choice specimen. Rare.
 7.00 1229 1796. Liberty cap. Date does not touch bust. Tip of figure 1 just touches hair and is distant from the other figures. Reverse has nine berries, four in left stem. Extremely fine. Dark in color. Rare specimen.
 10.00 1230 1797. Perfect die with milled border. A light olive. Barring several minute scratches invisible to naked eye, the piece is uncirculated. Very choice.

- 3.00 1231 1800. Unfinished die with dotted date and bad breaks through LIBERTY and dot back of head. More breaks on this coin than I have noticed in any I have offered. Nearly fine. Scarce.
- 7.15 1232 1802. Letter "C" in CENT too low. Die break at end of fraction bar. Magnificent, strong, even impression with perfect milling. Uncirculated, steel color, with some original redness. Every hair-line struck up. The best 1802 cent I have offered as yet. Rare.
- 14.00 1233 1812. Large date. Splendid uncirculated, strongly struck specimen. A medium olive, with some original redness. An examination of auction sale catalogues will show that this cent is seldom offered in uncirculated condition, while often in very fine condition. This one would be hard to excel, and in this perfect condition should bring at least \$25.
- 8.75 1234 1813. Rare uncirculated specimen, light olive in color. Of the many 1813s that I have had, this is the finest. Rarer than 1793 or 1799 in this condition.
- 2.30 1235 1813. Fine to very fine. A medium olive.
- 1.25 1236 1816. Die unbroken. Extremely fine.
- .40 1237 1818. Ex. F. or Unc. A medium olive. Sharp.
- .40 1238 1818. Broken die. Unc., partly red.
- 1.00 1239 1819 over '18. Ex. F. or Unc. A light olive. Splendid impression.
- 2.50 1240 1822. Unc., a light olive. Rare.
- 5.10 1241 1826. Barely noticeable rubbing on forehead. Unc. A light brown. A spotless cent, perfectly struck and of even color. One of the finest.
- 2.00 1242 1830. Inner circle. Hardly noticeable rubbing on cheek. Uncirculated, a light brown. Even color and finely struck. Rare.
- .75 1243 1832. Large letters. Very fine, dark. Rare.
- 2.00 1244 1839. "Booby" head. Extremely fine, sharp. A light olive of even color. Rare specimen.
- 1.45 1245 1839. "Silly" head. Extremely fine. A dark steel color. Scarce.
- 2.10 1246 1842. Large date. Magnificent sharp impression. Uncirculated, a medium olive. A gem.
